Come join the **HBA of North Georgia** at our annual **Spring Clay Shoot**. Our fall shoots have always been a great way to spend a day alongside some of the best builder and associate members in our area.

Please come out and support the building industry in this one of a kind event. Even if you are not a shooter, come enjoy the Door Prizes, a Barbeque Lunch with all the fixin's, and most of all, networking opportunities. Don't miss the chance to get to know some of the other builder and associate members of the **HBA of North Georgia**.
